

PERSONA[®]

Online Personal Development platform for young people

The Persona Life Skills online learning platform is a unique, personality insights approach to Personal Development, for young people age 11-19. Boost your wellbeing and employability with life skills, while supporting your academic achievement.

www.persona-life.com

Develop social-emotional life skills

Boost social, learning and work wellbeing

Build employability and workplace readiness

PERSONA[®]
LIFE SKILLS

Persona Life Skills helps you navigate your life journey

By understanding your unique mix of personality styles – and that of others – you can adapt how you think, communicate and behave, to achieve the best outcome in social, learning and work life challenges.

In Persona Life Skills you will learn to develop 22 Life Skills across six Skillsets, boosting your wellbeing, success in learning and future employability.

1. Being Realistic

2. Communication

3. Open-mindedness

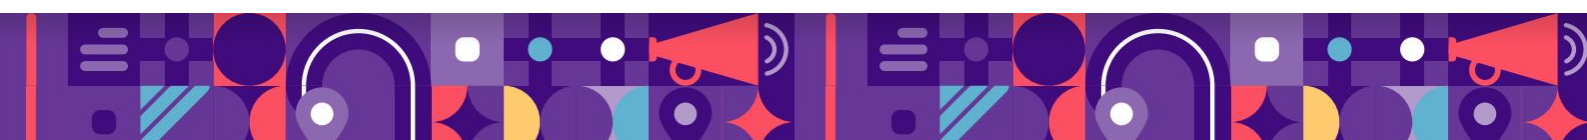

4. Problem Solving

5. Resilience

6. Self-control

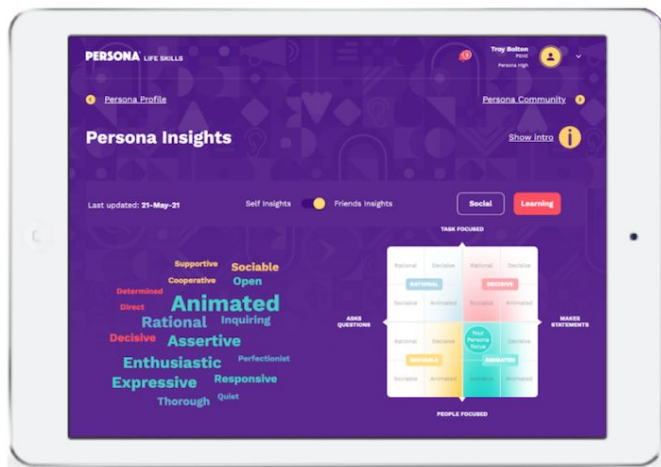

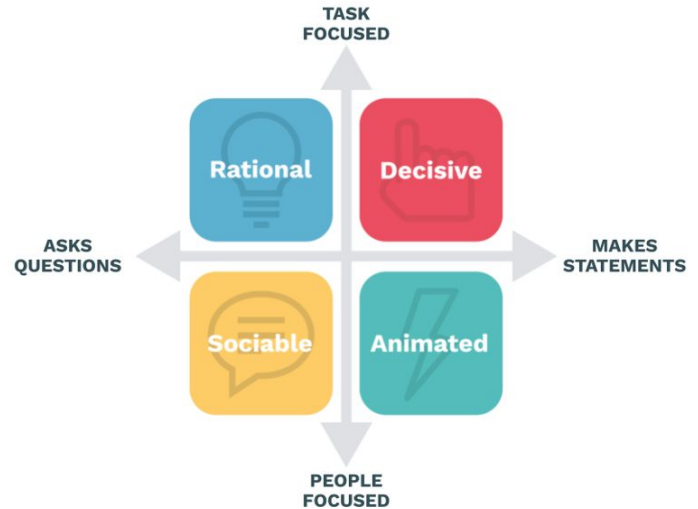

PERSONA®

Self/Friends personality insights

The 'Self/Friends' personality insights framework at its heart makes Persona Life Skills unique. Practical and memorable, it was designed specially for young people.

Answer the Persona Insights quiz to discover your Self insights. Invite friends to answer the quiz about you, to compare how you see yourself and how other people view you.

You will receive personalised tips on growth areas to work on, and what to watch out for.

Over 80 learning modules
